GOVERNMENT HOUSE.

My dear Maharajah Sahib.

Very many thanks for your charming letter. As you know, I am only too delighted to do anything I can to help a fine fellow like Your Highness.

I wish so much we cld: have accepted your kind invitation to stay with you en route to Bombay, but we have to go to Madras to do some work there before we start: which makes it quite impossible. I do hope I shall get a chance of seeing You before we leave.

With all good wishes

Yours sincerely

Willingdon
